

# ITS Drayage Solutions

Attention to detail, a sense of urgency, and multitasking efficiency... it's how we ROLL!

We provide exceptional port and rail drayage services across the country. Powered by unmatched industry excellence, great technology, nationwide capability and a dedicated team that truly cares about your supply chain—we deliver!

**99%**  
On-time delivery

**24/7**  
dispatch & visibility

## Superior Accessorial Cost Management

- **Demurrage:** We pull within 24 hrs of availability at terminal, we don't wait until LFD!
- **Per Diem:** All containers are returned to the port after unload within 24 hrs
- **Port Detention:** When available, we request side stacks to pull containers without detention

## Accessibility & Communication

- **24/7/365 Staffing:** ITS is staffed every minute of every day of the year!
- **Dedicated Team:** We assign a team trained specifically to your business and supply chain needs
- **Dedicated SOP:** We create an **SOP** for EVERY customer and train EVERY team member on the SOP
- **Immediate Response:** To all requests for paperwork, updates, and inquiries

## National Reach

- **Secure Yards:** Oakland, LA, Seattle, Savannah and Jacksonville
- **Ports Served:** LA, Oakland, Seattle/Tacoma, Houston, New Orleans, Miami, Jacksonville, Savannah, Charleston, Baltimore and NY/NJ
- **Current Clients:** Tesla, Panasonic, Henry Schein, Patagonia, SEKO, Pasha, Randa Logistics, JF Hillebrand, Dynacraft

## Operational Excellence

- **Containers:** We pull and deliver containers faster than anyone
- **DO Receipt:** Immediate Response
- **Container Updates:** 3x day from receipt of DO to Termination of Empty
- **GPS Tracking:** On every load!
